Spring 2021

From the Director's Desk

What can you do to help us at Tomorrow's Hope?

First, let me begin by saying that it's important that you understand that pro-life ministry is far broader than saving unborn babies and helping their mothers as they experience their crisis pregnancies. Both things are very important aspects of what we do but it's not, by far, all that we do.

Because the scope is so big, each of you can help in a very significant way. It doesn't matter if you are a senior citizen, if you're a middle ager, teenager, or a child. Everyone can play a significant part in this ministry and in the move of God that is sweeping our country. So, let me answer the question, what can I do to get involved, to make an impact and to make a change?

Jesus doesn't ask us to do everything but He does ask us to be a small part of the things that He loves. You don't have to be a whole box of salt; just a pinch will do. We can all do something to help reach the many who are vulnerable and who are hurting. We can all be a part of bringing the kingdom of God to all.

Here is a partial list of things you can do...choose one and get busy!

- *Pray for us
- *Advertise for us
- *Make your voice heard in the political arena
- *Hold a garage sale where the proceeds come to us
- *Volunteer as a peer counselor at the clinic
- *Volunteer at our thrift store
- *Serve on the Board
- *Bake a homemade treat and surprise the staff
- *Invite someone from the ministry to come speak to a group
- *Donate your air miles
- *Give financially
- *Throw a party or cookout for the staff to let them know how much they are appreciated
- *Host a baby shower for our baby closet
- *Investigate what your local schools are teaching the students about abstinence
- *Attend our annual FUND RAISING BANQUET
- *Show a prolife film at your church or home and invite friends
- *Children, you can save coins and donate them.
- *Instead of asking for gifts for you for your birthday, ask for gifts that can be given to mothers, babies, children that may not get presents.
- *Donate toiletry items
- *Help buy toys to give our children at Christmas

This is only a partial list. I could probably name 100 things, but this is a good start. No task or gift is too small to help Tomorrow's Hope Ministry and to the many that walk through our doors. Any gift that you can offer will be a blessing. Stop asking what can I do and start doing.

There are many families- women, men, and children that are hurting. We can all reach out to help in our way, according to the call that God has put on our lives. As Christ followers we all have a calling, if you don't know yours, then you need to ask God to show you what it is. We are to all draw others to God. There are so many ways to do that and we need your help.

Have a blessed day and give us a call, come take a tour. We would be glad to schedule one for you.

In His Service,
Cheryl

Say Hello to Cindy

Meet Cindy Shankle. Cindy is married to Eddie and together they have five daughters. She recently retired from her work as a social worker for mentally challenged adults. At Point Pleasant Baptist Church, she serves as church clerk and is involved in WMU.

Cindy says God called her to Tomorrow's Hope ministry to help people in any way. She has been a part of Tomorrow's Hope for 12 years. Cindy was on our Board of Directors for 3 years, serving as Chairman for two of those years. She is currently a Client Advocate on Thursdays.

In her spare time, Cindy enjoys bargain shopping and repurposing furniture. Be sure to check out her booth at Funky Blue Owl!

Pregnant? Are you like I was and totally clueless? Give us a call. Not only will you find information about childbirth, you will have a support person to walk through the journey with you. Earn Thrift Store Bucks each appointment. Save them or spend them now! We will help you with diapers, wipes and other material assistance as needed.

Plus! Just before delivery, you can choose a new baby bed or car seat!!!

Not sure if you're pregnant? Make an appointment today for your complimentary pregnancy test. Our ultrasounds are also available for those that are at least eight weeks pregnant.
